Golden Text Announced

"Where there is no vision, the people perish: but he that keepeth the law, happy is he." This verse from Prov. (29:18) is the Golden Text of the Lesson-Sermon entitled "A Dam and Fallen Man." Today's need for spiritual discernment will be emphasized at all Christian Science churches today.

In his first epistle to the Corinthians Paul declares, "Now we have received, not the spirit of the world, but the wisdom which is God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth: comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned."
